

Dear Patients and Parents,

As you are aware the County of Los Angeles has issued a Safer at Home Order that applies to all of LA County effective beginning 11:59 PM on 3/19/20 through at least 4/19/20. Additionally, the California Governor has issued a Stay at Home Order statewide that has also gone into effect and will be in effect until further notice.

If you have an urgent need during this time, we will continue to be available for EMERGENCY APPOINTMENTS ONLY. Please call our office as soon as possible so we may determine the best course of action for your specific situation. During these emergency visits we will follow the CDC COVID-19 guidelines to keep you and our dental team healthy.

We will not be rescheduling any dental appointments for routine care or orthodontics until we have been cleared to open our office for regular business. We are looking to implement video conferencing with Zoom to offer digital orthodontic visits to monitor the progress of our orthodontic patients.

We look forward to seeing you back in our office soon

Be well,

Dr. Cortez, Dr. Sanchez and Dr. Planells
